

What is the Tompkins Athletic Booster Club?

The Tompkins High School Athletic Booster Club (OTHS-ABC) is a non-profit volunteer organization that exists to support and provide services to ALL of our Falcon athletes IN EVERY SPORT and the athletic department at OTHS. Through volunteerism and financial support we assist in providing additional equipment, supplies and items beyond what the school budget and KatyISD provides. For more information, visit our website: tomkinsabc.org or find us on facebook!

Who can join the Booster Club?

The booster club is open to everyone! You don't even need to have a student or an athlete at Tompkins. Parents, grandparents, neighbors and businesses are all invited. We have many different membership levels to fit your financial needs, or you can simply volunteer your time!

Where does the money go?

The money donated and collected through our various fundraisers, membership dues and program sales all go toward helping our Falcon Athletes and staff. Additionally, as members of the ABC, senior athletes are eligible to apply for an OTHS Athletic Booster Club Scholarship, the first to be awarded in 2016. For eligibility requirements, visit our website.
